THE BIG PICTURE

JOKKMOKK, SWEDEN

Wrap up warm and venture north to Jokkmokk on the Arctic Circle where, every February, the village hosts a traditional Sámi market, attracting thousands of visitors as well as indigenous Sámi from Norway, Sweden, Finland, and the Kola peninsula of Russia.

Wintry activities include reindeer racing, tracking the Northern Lights and husky rides through Swedish Lapland's crystalized landscapes. Ride with Matti Holmgren and his partner, Stina Svensson, who run Jokkmokkguiderna with their 38 pure-breed Siberian huskies. www.jokkmokkguiderna.com
